COMPANY BACKGROUND

In Brief

Alinco pipe Supply FZE is an associate of Ali N. Al Nassar & Partners Co. based in the Kingdom of Saudi Arabia. Since its inception in 1993, Alinco has emerged as a major regional stockist of quality pipes and piping components such as flanges, butt weld fittings, forged steel fittings, valves, stud bolts and gaskets in various material grades.

We have 55,000 sq. mtrs under storage. Operations are conducted by an efficient work team, consisting of highly dedicated team members.

The scope of Alinco is to supply pipes, fittings, flanges, valves and other piping components to a wide variety of industries including: Power generation, oil refining, petrochemical, LNG&LPG production, ship repair, electro mechanical contractors etc.

Our associate companies (Bin Nassar Trading Est., Abu Dhabi | Ali Al Nassar Ind. Pipe Supply Co., Oman | Ali Al Nassar Trading Est., Kuwait) were established to enhance our services to our valuable customers in their respective geographical area.
